

Honor a Teacher

TRENZA Alumni Scholarship Fundraiser

print

The TRENZA Alumni Scholarship Committee (ASC) is launching a new fundraising campaign to raise funds for our Teresa Navarrete Scholarship.

In these times of economic crisis when our teachers are in the frontlines of the battle field of budget cuts, hard working conditions and an uncertain economic future, TRENZA Alumni would like to acknowledge and honor our educator's labor with a short note of gratitude.

Through a small donation to the Scholarship Fund you can help us identify and thank a Teacher of your choosing. We will send them a personalized postcard with the simple notation:

**“A donation was made in your Honor to the
Teresa Navarrete Scholarship Fund”**

Optional; we can also include a short personal quote from you. For example:
“Mr. Perez was the first teacher who believed in me, thanks to his support I believed in myself” – [Insert your name]

Four EASY steps

1. You will receive a PayPal donation request online
2. Click on the link to make a donation of \$10 or more
3. Provide us with the teacher's full name, mailing address and your optional quote.
4. We will do the rest! Soon after, the teacher will receive an especially designed postcard by our very own TRENZA founding mother and logo designer, Elizabeth Camacho.
